## ■ February 28

- A massacre in Likoshane, FR Yugoslavia starts the Kosovo War.
- A study led by Andrew Wakefield is published in *The Lancet* suggesting an alleged link between MMR vaccine and autism. Now known to be full of data manipulation, the study was instantly controversial and fueled the nascent anti-vaccination movement. Although subsequent large epidemiological research found no link between vaccines and autism,<sup>[2][3][4][5]</sup> the study contributed – in the following years and decades – to a sharp drop in vaccination rates and the resurgence of measles in several countries.<sup>[6]</sup> The study, fully retracted in 2010, was later characterised as "perhaps the most damaging medical hoax of the 20th Century".<sup>[5]</sup>
